Hi Victor,

My name is Elsie and I work for Don Duckworth who manages the Melrose Business Improvement District. We recently received notice from a collection agency that we owe the City taxes on the BID. However, few weeks back we spoke to you and you confirmed we were a Tax-Exempt Business . Who can we speak to about this matter? I've attached a picture of the letter we received from the the collections department for your records.

Thanks you again for your time.

Warmly,
Elsie Lopez
